Short Form

Use only when there is no appropriation needed for state agencies, and no fiscal impact on state revenues, local governments, businesses, or individuals.

If the bill looks like it should have a fiscal note, explain why it does not. For example, a bill might put into code something that is already current practice.

Attachments welcome.

(To appropriate to an additional program use an additional form.) This is ____ of ____.

C. Work Notes: Assumptions, calculations & what are we buying?

Assume that a legislator calls you in to explain how you came up with your fiscal impact and these are the only notes you get to take with you.

List all costs. Identify one-time and ongoing costs. Detail FTE impacts.

Do not say, "\$50,000 in Current Expense." Be very specific about what \$50,000 will buy.

Attachments encouraged.

The parameters and timelines are somewhat daunting. It is my expectation that most agencies participating would not be able to complete the work in the 60 days allowed in line 212. Therefore this would be an excellent group to have a good discussion, but any substantial analysis and impact review would likely be deferred due to either time or budget constraints as allowed in lines 212 and 220-222.
